## Before You Begin

Visit [www.CharitiesNYS.com](http://www.CharitiesNYS.com) and search the Charities Registry to find your organization's NY State Registration Number (##-##-##) and Registration Category (7A, EPTL, DUAL, EXEMPT). Knowing your organization's Registration Category will help you respond to Sections 1 and 3, determine the required attachments to the CHAR500 and calculate your filing fee. EXEMPT organizations are exempt from registration and not required to file with the NY Charities Bureau. If your organization is not registered with the Charities Bureau, please complete CHAR410 "Registration Statement for Charitable Organizations".

## 1. General Information

Enter the accounting period covered by the report. Provide the best contact information for your organization. This information will be publicly available in the Charities Registry and will be used for communication to your organization. If your organization is registered and this is your regular annual filing, check *Initial Filing*. If your contact information needs to be updated, check *Address Change* and/or *Name Change*. Check *Amended Filing* if you are making a change to a previous filing. If you have submitted a CHAR410 - "Registration Statement for Charitable Organizations" - but do not yet have a NY State Registration Number, check *NY Reg Pending*. If this is a final filing and the organization is seeking dissolution or ceasing operations, check *Final Filing* and submit all applicable IRS schedules and attachments. If your organization is a NY corporation, visit [www.CharitiesNYS.com](http://www.CharitiesNYS.com) for information on how to dissolve. Check the registration category of your organization (7A, EPTL, DUAL or EXEMPT).

## 2. Certification

When you have completed the form, sign and print the name, title and date. For 7A and DUAL filers, the CHAR500 must be signed by both the president or another authorized officer and the chief financial officer or treasurer. These must be different individuals. EPTL filers have the option of a single signature if the certification is by a banking institution or a trustee of a trust. Clearly state the title of the representative (e.g. "President," "CEO", "Treasurer," "CFO," "Bank Vice President" or "Trustee").

## 3. Annual Reporting Exemption

You may claim an exemption from the reporting and fee requirements if you meet the filing exemptions applicable to your organization. If claiming an exemption under one statute (7A and EPTL only filers) or both statutes (DUAL filers) that apply to your registration, complete only parts 1, 2, and 3, and submit the certified Char500. No fee, schedule, or additional attachments are required. Otherwise, file all required schedules and attachments and pay applicable fees.

Note: A 7A or DUAL filer with contributions over \$25,000 that did not contract with a professional fund raiser may check the 7A filing exemption if it (i) received all or substantially all of its contributions from a single government agency to which it submitted an annual report similar to that required by Executive Law Article 7A, or (ii) it received an allocation from a federated fund, United Way or incorporated community appeal and contributions from all other sources did not exceed \$25,000.

## 4. Schedules and Attachments

If you do not qualify for the reporting exemption as described in Part 3, review the checklist of schedules and attachments required to complete your filing. If your organization qualified for and submitted an IRS 990-N "e-Postcard", you must complete and submit a 990EZ to the NY Charities Bureau for reporting purposes. The NY Charities Bureau will not accept an IRS 990-N "e-postcard". Also, be aware that CPA audit requirements for 7A and DUAL filers are set to change again in 2017 and 2021 in accordance with the Nonprofit Revitalization Act of 2013.

## 5. Fee

Your total fee is based on your registration category (7A, EPTL or DUAL). 7A or EPTL filers only pay the fee that applies to the statute under which they have registered unless they have claimed an exemption in Part 3. DUAL filers must pay both fees, unless they have claimed an exemption in Part 3. Consult the CHAR500 to calculate your fee or contact the NY Charities Bureau if you have additional questions.

## When to Submit Your Filing

7A and DUAL filers: postmarked within 4 1/2 months after the organization's accounting period ends. For example, fiscal year end December 31 reports are due by May 15th of the following year. EPTL filers: postmarked within 6 months after the organization's accounting period ends. A filer may request an extension of time to file of up to 180 days. [Instructions for requesting an extension](#) are available at [www.CharitiesNYS.com](http://www.CharitiesNYS.com).

## Where to Submit Your Filing

Payment must be made to the "Department of Law". Send the complete filing with payment to:  
**NYS Office of the Attorney General, Charities Bureau Registration Section, 120 Broadway, New York, NY 10271.**

## Penalties

**Part III Statement of Program Service Accomplishments**

Check if Schedule O contains a response or note to any line in this Part III  Yes  No

**1** Briefly describe the organization's mission:

Conservancy promotes, improves, develops, facilitates & defends Free, Libre, and Open Source Software (FLOSS) projects and provides a non-profit home & infrastructure for FLOSS projects. Conservancy directly handles many key tasks & urgent needs for its projects -- mostly created by volunteer software developers. Conservancy helps developers focus on improving FLOSS for the public. Projects include: education software for schools, integrated library service systems, and embedded software for electronic devices.

**2** Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?  Yes  No

If "Yes," describe these new services on Schedule O.

**3** Did the organization cease conducting, or make significant changes in how it conducts, any program services?  Yes  No

If "Yes," describe these changes on Schedule O.

**4** Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

**4a** (Code: ) (Expenses \$ 184,481 including grants of \$ ) (Revenue \$ 5,645 )

FLOSS development, documentation, mentoring, & project support: During the tax year, Conservancy engaged 10 different software developers as independent contractors to improve the software in its jQuery, PyPy, Sugar Labs, Twisted, and Non-Profit Accounting software projects. This work generated many thousands of new lines of software code. The code was released freely to the public under copyright licenses that encourage the general public to use, share, & modify it. These contractors also worked diligently with the community to coordinate volunteer software developers to contribute further software code. In addition to these 10 contracts, 52 other developers mentored student software developers during a summer participation program. These developers helped the students get involved with FLOSS development and contribute new code to the projects. In addition to helping students improve their software development skills, their new code was also made available to the public, as described above. Finally, Conservancy staff assists volunteers in our projects on a daily basis to acclimate to and make best use of the services available from a non-profit fiscal sponsor, including our full range of services listed at <https://sfconservancy.org/members/services/>, which include administrative, coordination, legal, and infrastructural assistance to volunteer software developers.

**4b** (Code: ) (Expenses \$ 370,245 including grants of \$ ) (Revenue \$ 233,907 )

Facilitating FLOSS conferences: During the tax year of 2013, Conservancy planned, organized and ran one conference each for its Boost, Evergreen, and Selenium projects. Additionally, Conservancy coordinated and funded a few smaller "hackfest" events, and also funded travel expenses for staff's and volunteers' attendance at 23 different third-party software conferences. These events allow the volunteer software developers and Conservancy staff to speak about their work to the general public, teach the general public how to use and improve their software, and generally promote the use, adoption and improvement of Conservancy's member projects. Additionally, these conferences provide an opportunity for software developers to meet and rapidly work closely together to make improvements to the software, and release those improvements immediately to the general public.

**4c** (Code: ) (Expenses \$ 24,587 including grants of \$ ) (Revenue \$ 0 )

License Compliance Activity: Many of Conservancy's projects are available under "copyleft" licenses, such as the GNU General Public License (GPL). "Copyleft" licenses are copyright licenses which allow everyone to freely share, copy, modify, and install modified versions of the software. However, "copyleft" licenses additionally require that everyone who receives the software has an equal right to engage in those activities.

Conservancy identifies situations where distributors fail to meet those requirements. Conservancy then enforces the copyright license, thereby requiring these distributors to provide the same rights to copy, share, modify & install modified versions of the software to all those who receive the software distribution (just as those distributors had initially received those rights).

Through this process, Conservancy ensures that the general public has equal rights to use, improve, & study the software, and to experiment with their own modifications to the software. Rarely, in particularly egregious cases of GPL violation, Conservancy does seek remedy in the courts through copyright litigation, but no litigation was undertaken nor pursued during this tax year.

The primary goal of all these copyright enforcement activities is always to ensure that all who receive copies of the copylefted software (or modified versions thereof) can freely engage in copying, modifying, improving & installing modified versions.

**4d** Other program services (Describe in Schedule O.)  
(Expenses \$ 30,458 including grants of \$ ) (Revenue \$ 1,002 )

**4e** Total program service expenses **609,771**

**FORM 990, PART VI, SECTION B, LINE 15a - Compensation Review & Approval Process for CEO, Executive Director or Top Management:**

In September 2010, prior to Kuhn's hire in January 2011 as Executive Director, Kuhn presented to Conservancy's Board a compensation

package proposal. Kuhn left the meeting while the Board reviewed, discussed, considered, and voted to approve Kuhn's compensation

package. Part of Kuhn's presentation included a spreadsheet which calculates the average CEO/Executive Director salaries at 35

different non-profit organizations in related fields. The Board set Kuhn's salary at well below that average. The spreadsheet is

publicly available at: <https://gitorious.org/floss-foundations/npo-public-filings/source/master:org-salaries.ods>

That spreadsheet has been regularly updated with newer information from those 35 organizations, including Conservancy itself.

All changes in Kuhn's compensation or benefits since January 2011 have been presented to and approved by Conservancy's Board. Kuhn

leaves the meeting while any proposed change in his compensation package is discussed and voted on.

**FORM 990, PART VI, SECTION B, LINE 15b - Compensation Review & Approval Process for Other Officers and Key Employees:**

No other officers were compensated during the tax year, and no one is marked as a key employee in Part VIII A, Column C.

Independent Auditor's Report

To the Board of Directors of  
Software Freedom Conservancy, Inc.

I have audited the accompanying financial statements of Software Freedom Conservancy, Inc., which comprise the Statement of Financial Position as of February 28, 2014, and the related Statement of Activities, Cash Flows and Functional Expenses for the year then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Software Freedom Conservancy, Inc., as of February 28, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Report on Summarized Comparative Information**

I have previously audited Software Freedom Conservancy, Inc.'s year ended February 28, 2013 financial statements, and my report dated January 8, 2014, expressed an unmodified opinion on those audited financial statements. In my opinion, the summarized comparative information presented herein as of and for the year ended February 28, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

**Note 1 - Nature of Activities and Summary of Significant Accounting Policies**

Nature of Activities

Software Freedom Conservancy, Inc. (Conservancy) is a not-for-profit organization that helps promote, improve, develop, and defend Free, Libre, and Open Source Software (FLOSS) projects. Conservancy provides a nonprofit home and infrastructure for FLOSS projects. This allows FLOSS developers to focus on what they do best — writing and improving FLOSS for the general public.

FLOSS projects whose applications are accepted become part of the Software Freedom Conservancy (akin to a separate department of a large agency). Once joined, the "member project" receives most of the benefits of existing as a non-profit corporate entity without engaging in the arduous work of forming a separate, new organization. Conservancy aggregates the work of running a FLOSS non-profit for its many members.

Conservancy provides many important services for its member projects. Member projects can take directed donations, which allows donors to earmark their donations for the benefit of a specific FLOSS project. Conservancy provides fiscal oversight to ensure that these funds are spent in a manner that advances the project and fits with Conservancy's 501(c)(3) mission to promote, advance, and defend software freedom.

If the member project's leaders want, Conservancy can also hold other assets and titles on behalf of the projects, such as copyrights, trademarks, domain names, online hosting accounts, and title and ownership of physical hardware. Also at discretion of the project's leaders, Conservancy can assist in defending the rights represented in these assets. For example, Conservancy is available to assist member projects in enforcing the terms of the projects' FLOSS license.

Finally, developers of Conservancy's member projects, when operating in their capacity as project leaders, could receive some protection from personal liability for their work on the project.

Software Freedom Conservancy, Inc., was incorporated in the State of New York in 2006.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

See independent auditor's report.

**Note 1 - (Continued)**

Financial Statement Presentation

Conservancy reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets represent revenues and expenses related to the operations and management of Conservancy's primary programs and supporting services. If funds are raised and set aside by the Board for future use, these are considered unrestricted. Temporarily restricted contributions that are expended for their restricted purpose in the same reporting period as received may be recorded as unrestricted.

Temporarily restricted net assets represent resources available for use, but expendable only for the purpose specifically stated by the donor. As of February 28, 2014 there was \$764,583 of temporarily restricted net assets.

Permanently restricted net assets are assets subject to donor-imposed stipulations that they be maintained permanently by Conservancy. Generally, the donors of these assets permit Conservancy to use all or part of the income earned on only related investments for general or specific purpose. As of February 28, 2014 there were no permanently restricted net assets.

Cash

Cash consists of demand deposit accounts held at major financial institutions and may at times exceed the insurable amount. Management believes it mitigates its risk by investing in a major financial institution and in funds that are currently U.S. federal government insured. Recoverability of investments is dependent upon the performance of the issuer.

Cash Equivalents

For purposes of the statement of cash flows, Conservancy considers all highly liquid investments purchased with original maturities of three months or less when purchased to be cash equivalents.

Contributions

Contributions are recognized when the donor makes a promise to give to Conservancy that is in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restriction expires in the same reporting period in which the contributions are recognized. All other donor restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

See independent auditor's report.

**Notes to Financial Statements**  
**February 28, 2014**

**Note 1 - (Continued)**

Contributions Receivable

Contributions receivable are stated at the amount management expects to collect. Management provides for probable uncollectible amounts through adjustments to valuation allowances based on its assessment of the current status of individual receivables. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance. For the year ended February 28, 2014 the allowance for doubtful accounts was \$0.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted depending on the existence and / or nature of any donor restrictions. Conservancy has not received any contributions with donor-imposed restrictions that would result in permanently restricted net assets.

Income is recognized on an accrual basis when earned.

Reclassifications

Certain reclassifications have been made to prior year amounts to conform to the current year presentations.

Income Taxes

Conservancy is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been provided for in the accompanying financial statements.

Tax Uncertainties

Conservancy's policy is to record interest expense and penalties in operating expenses. For the year ended February 28, 2014, there was no interest and penalties expense recorded.

Conservancy's Federal Forms 990 are open for examination for the years ended February 28, 2011, and thereafter.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**Software Freedom Conservancy, Inc.**  
**Notes to Financial Statements**  
**February 28, 2014**

**Note 1 - (Continued)**

Concentrations

Conservancy maintains cash balances in two financial institutions. Balances in one of those institutions at times exceed federally insured limits. Conservancy has not experienced any losses related to these accounts and believes it is not exposed to any significant credit risk.

Approximately 42% of contributions receivable are from one organization.

Approximately 30% of Conservancy's contributions were provided by one organization.

Donated Services

Donated services are recognized as contributions if the services (1) create or enhance nonfinancial assets or (2) require specialized skills, are performed by people with those skills, and would otherwise be purchased by Conservancy. Volunteers provide various services that are not recognized as contributions in the financial statements since the recognition criteria were not met.

Subsequent Events

In preparing these financial statements, Software Freedom Conservancy, Inc., has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through December 23, 2014, the date the financial statements were available to be issued.

**Note 2 - Lease**

Software Freedom Conservancy, Inc., leased its premises on a month to month basis until October 31, 2013.

Payments during the year ended February 28, 2014 amounted to \$13,000.

**Note 3 - Unearned Income**

Unearned income represents income for the year ending February 28, 2015, that was received during the year ended February 28, 2014.
