**Part III** Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

**1** Briefly describe the organization’s mission:

Conservancy promotes, improves, develops, facilitates and defends Free and Open Source Software (FOSS). Conservancy advocates for the software freedom and software rights of the public. Conservancy provides a home and infrastructure to FOSS projects and initiatives — mostly coordinated by volunteers. Conservancy helps these volunteers to focus on improving FOSS for the public. Projects include: embedded software for IoT devices, advocacy for consumer rights in software licensing, and internship programs.

**2** Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?  Yes  No  
If “Yes,” describe these new services on Schedule O.

**3** Did the organization cease conducting, or make significant changes in how it conducts, any program services?  Yes  No  
If “Yes,” describe these changes on Schedule O.

**4** Describe the organization’s program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

**4a** (Code: ) (Expenses \$ 1,692,205 including grants of \$ 110,118 ) (Revenue \$ 240,283 )

FOSS development, documentation, internships, mentoring, & project support: During the tax year, Conservancy engaged 25 different software developers as independent contractors to improve the software in its Godot, Microblocks, Outreachy, phpMyAdmin, PyPy, Reproducible Builds, Samba, Selenium, and Teaching Open Source projects, as well as improving FOSS for Conservancy’s own accounting infrastructure. All code was released freely to the public under licenses that encourage the public to use, share, and modify it. These contractors also coordinated volunteer software developers to contribute further software code. In the tax year, Conservancy funded 135 interns as part of Outreachy — an initiative to encourage participation in FOSS for those who face systemic bias, under-representation, or discrimination in the technology industry in their country. Outreachy interns become directly involved with improving FOSS, and increase the diversity of the FOSS community while also learning valuable skills. Conservancy staff also assisted volunteers in our projects on a daily basis with administration, coordination, legal and infrastructural tasks (as listed at <https://sfconservancy.org/members/services/> ). Conservancy made software development grants to 10 individual developers in the Clojars project. Conservancy gave grants to two organizations: the newly-formed “Sugar Labs, Inc.” and a small follow-up grant to ICSI for the Zeek (formerly Bro) project. Conservancy continued its advocacy for universal software freedom and software rights.

**4b** (Code: ) (Expenses \$ 360,819 including grants of \$ ) (Revenue \$ 150,589 )

Facilitating and Participating in FOSS conferences: During the tax year of 2019, Conservancy planned, organized and/or ran seven conferences total. These included conferences for our Boost, DrupalNJ, North Bay Python, Racket, Reproducible Builds, and Selenium projects — as well as our second annual CopyleftConf. Additionally, Conservancy coordinated and funded many smaller “hackfest” events for its projects. Furthermore, Conservancy funded travel expenses for staff’s and volunteers’ attendance at nearly 50 different third-party software conferences. These events allow volunteer FOSS contributors and Conservancy staff to (a) speak about their work to the public, (b) teach the public how to use and improve their software, (c) generally promote the use, adoption and improvement of FOSS, and (d) explain and explore the policy issues surrounding software freedom and software rights. Most FOSS conferences include opportunities for software developers to meet and rapidly work closely together to make improvements to the software and release those improvements immediately to the public. Finally, Conservancy staff also assisted in organizing the Legal & Policy DevRoom at FOSEDM, the largest annual FOSS conference in Europe.

**4c** (Code: ) (Expenses \$ 68,453 including grants of \$ ) (Revenue \$ )

License Compliance Activity: Many of Conservancy’s projects are available under “copyleft” licenses, such as the General Public License — the GPL. “Copyleft” are FOSS licenses, and they allow everyone to freely share, copy, modify, and install modified versions of the software. However, “copyleft” licenses additionally require that everyone who receives the software has an equal right to engage in those activities. Conservancy identifies situations where distributors fail to meet those requirements. Conservancy then enforces the copyright license, thereby requiring these distributors to provide the same rights to copy, share, modify and install modified versions of the software to all those who receive the software distribution (just as those distributors had initially received those rights. Through this process, Conservancy ensures that the public has equal rights to use, improve, and study the software, and to experiment with their own modifications to the software. Rarely, in particularly egregious cases of a GPL violation, seeks remedy in the courts through litigation. The primary goal of all these “copyleft” enforcement activities is always to ensure that all who receive copies of the copylefted software (or modified versions thereof) can freely engage in copying, modifying, improving and installing modified versions.

**FORM 990, PART VI, SECTION A, LINE 1(a):**

Conservancy's Board of Directors chartered an Evaluation Committee (see <https://sfconservancy.org/about/eval-committee/>). The Board

delegates to that Committee the authority to evaluate FOSS projects that have applied to become part of Conservancy. The Evaluation

Committee is authorized to engage with prospective projects and accept projects on the Board's behalf. Conservancy's Board of

Directors delegates to that Committee full authority to evaluate and add new FOSS projects without direct Board approval.

During the tax year, the following people served on Conservancy's Evaluation Committee: Jeremy Allison, Tom Callaway, Karl Fogel,

Mark Galassi, Bdale Garbee, Bradley M. Kuhn, Mike Linksvayer, Tom Marble, Martin Michlmayr, Deb Nicholson, and Karen M. Sandler.

Sandler is officer, but not a Director. Callaway, Fogel, and Marble are not Directors. Nicholson was an employee during the 2019 tax year.

Conservancy also chartered a Finance Subcommittee of the Directors, that currently meets quarterly to approve minor adjustments to the

budget, advise staff about investment policy, and review and approve the annual audit before 990 filing. The Finance Subcommittee is

currently: Bdale Garbee, Mike Linksvayer, Martin Michlmayr, and Bradley M. Kuhn. Karen Sandler the Subcommittee meetings ex-officio.

**FORM 990, PART VI, SECTION B, LINE 11(B) - Form 990 Review Process:**

The Finance Subcommittee meets directly with the auditors to review the audit report before the 990 is filed. The Finance Subcommittee

immediately files a report of that meeting by email to the full Board. Before Conservancy staff file the 990, a final draft is submitted to the

Directors. The Directors review the 990 at that time, and can raise any urgent issues immediately with each other and staff by email

or telephone. Formal approval of the 990 and audit report occurs at the next regular meeting of the Directors.

**FORM 990, PART VI, SECTION B, LINES 12, 13, 14:**

The Board of Directors formally adopted and consented to Conservancy's Conflict of Interest, Whistleblower, and Document

Retention policy on 16 March 2012. The policies are available for public inspection and comment. Conservancy's policy is to remind the

Board annually that the Conflict of Interest policy is in effect and any written conflicts disclosures are collected annually by a Director.

Volunteers who help Conservancy select contractors for Conservancy are required to adhere to the Conflict of Interest policy.

**FORM 990, PART VI, SECTION B, LINE 15:**

All full-time employees (including any key employees or full-time compensated officers) are equally eligible for the same

benefits package, which includes paid-time-off, 403(b), medical, vision and dental benefits package. (Continued on next page.)

**FORM 990, PART VI, SECTION B, LINE 15: (continued)**

That benefits package, and changes thereto, are discussed and approved by the Board of Directors. Any employee serving on the Board of Directors or present at the meeting recuse themselves from that vote and the Board considers benefits package changes only in executive session without any employees present.

**FORM 990, PART VI, SECTION B, LINE 15a - Compensation Review & Approval Process for CEO, Executive Director or Top Management:**

Karen Sandler, the current President and Executive Director, negotiated her compensation package with an outside director and Board Chairperson, Mark Galassi, when hired. That compensation package was then discussed and approved by the outside Directors. Changes to Sandler's compensation policy are made only with executive-session discussion by outside Directors. Sandler's substantial salary increase in the 2017 tax year was again negotiated with Galassi and discussed in executive session by outside Directors. Sandler receives now and has always received the same benefits package as all other employees (described above), and receives COLAs using the same formula as other employees.

**FORM 990, PART VI, SECTION B, LINE 15b - Compensation Review & Approval Process for Other Officers and Key Employees:**

Bradley M. Kuhn, Policy Fellow, is also an officer. His original compensation package (in 2010) was negotiated with Galassi and approved in executive session by the Board, using data from Form 990s of similar organizations and other salary research data. Kuhn receives COLAs using the same formula as other staff, since that time. Kuhn receives the same benefits package (described above) as all other employees.

**FORM 990, PART VI, LINE 19 - Other Organization Documents Publicly Available:**

Conservancy's Form 990s, auditor reports, articles of incorporation & by-laws are available on Conservancy's website at: <https://sfconservancy.org/about/filings/> Other key policy documents are developed in public at: <https://k.sfconservancy.org/policies>. Due to an error, the FY 2017 documents specifically did not appear properly on the website until recently, but all documents are now there.

**FORM 990, PART VII, LINE (3,7)(F) - Other Compensation to Kuhn and Sandler:**

Amounts on Part VII, Line 3(F) & 7(F) are for Sandler and Kuhn's health, dental, worker's comp insurance, disability insurance premiums, as well as funds for healthcare reimbursement arrangements, 403(b) and a few immaterial incidental expenses.

We have audited the accompanying financial statements of Software Freedom Conservancy, Inc., which comprise the Statement of Financial Position as of February 29, 2020, and the related Statements of Activities, Functional Expenses and Cash Flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Software Freedom Conservancy, Inc., as of February 29, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Nature of Activities

Software Freedom Conservancy, Inc. (the Organization) is a not - for - profit organization that helps promote, improve, develop, and defend Free, Libre, and Open Source Software (FLOSS) projects. Conservancy provides a nonprofit home and infrastructure for FLOSS projects. This allows FLOSS developers to focus on what they do best — writing and improving FLOSS for the general public.

FLOSS projects whose applications are accepted become part of the Organization (akin to a separate department of a large agency). Once joined, the "member project" receives most of the benefits of existing as a non-profit corporate entity without engaging in the arduous work of forming a separate, new organization. The Organization aggregates the work of running a FLOSS non - profit for its many members.

The Organization provides many important services for its member projects. Member projects can take directed donations, which allows donors to earmark their donations for the benefit of a specific FLOSS project. The Organization provides fiscal oversight to ensure that these funds are spent in a manner that advances the project and fits with the Organization's 501(c)(3) mission to promote, advance, and defend software freedom.

If the member project's leaders want, the Organization can also hold other assets and titles on behalf of the projects, such as copyrights, trademarks, domain names, online hosting accounts, and title and ownership of physical hardware. Also at discretion of the project's leaders, the Organization can assist in defending the rights represented in these assets. For example, the Organization is available to assist member projects in enforcing the terms of the projects' FLOSS license.

Finally, developers of the Organization's member projects, when operating in their capacity as project leaders, could receive some protection from personal liability for their work on the project.

Software Freedom Conservancy, Inc., was incorporated in the State of New York in 2006.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and donor restricted net assets.

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization's management and the board of directors. Donor restricted contributions that are expended for their restricted purpose in the same reporting period as received may be recorded as without donor restrictions.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity. On February 29, 2020, there was \$3,327,295 of net assets with donor restrictions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing various program and other activities have been summarized on a functional basis in the statement of activities. Certain expenses have been classified based on direct expenditures, other cost were allocated based on estimates made by management such as time spent, quantities of items consumed and the proportion of physical space used.

Cash

Cash consists of demand deposit accounts held at major financial institutions and may at times exceed the insurable amount. Management believes it mitigates its risk by investing in a major financial institution and in funds that are currently U.S. federal government insured. Recoverability of investments is dependent upon the performance of the issuer.

Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with original maturities of three months or less when purchased to be cash equivalents.

Revenue Recognition

Contributions received are recorded as without donor restrictions or with donor restrictions depending on the existence and / or nature of any restrictions the donor has placed on the contributions.

Income is recognized on an accrual basis when earned.

Reclassifications

Certain reclassifications have been made to prior year amounts to conform to the current year presentations.

Contributions Receivable

Contributions receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through adjustments to valuation allowances based on its assessment of the current status of individual receivables. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance. On February 29, 2020, the allowance for doubtful accounts was \$0.

Contributions receivable are expected to be collected within the current operating cycle of one year.

Income Taxes

The Organization is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been provided for in the accompanying financial statements.

The Organization's policy is to record interest expense and penalties in operating expenses. As of February 29, 2020, there was no interest and penalties expense recorded and no accrued interest and penalties.

Contributed Services

Contributed services are recognized as contributions if the services (1) create or enhance nonfinancial assets or (2) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers provide various services that are not recognized as contributions in the financial statements since the recognition criteria were not met.

Subsequent Events

In preparing these financial statements, the Organization has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through January 13, 2021 the date the financial statements were available to be issued.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings. The COVID-19 outbreak is also disrupting supply chains and affecting production and sales across a wide range of industries. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the closings. Therefore, the Organization expects this matter may negatively impact its operating results. The extent of the impact of COVID-19 on the Companies operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on the Organization's donors and customers, employees and vendors all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the financial condition of the Organization or results of operations is uncertain.

**Note 2 - Unearned Income**

Unearned income represents income for the year ending February 28, 2021, that was received during the year ended February 29, 2020.
