**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Software Freedom Conservancy, Inc., as of February 28, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Note 1 - Nature of Activities and Summary of Significant Accounting Policies**

Nature of Activities

Software Freedom Conservancy, Inc. (the Organization) is a not - for - profit organization that helps promote, improve, develop, and defend Free, Libre, and Open Source Software (FLOSS) projects. Conservancy provides a nonprofit home and infrastructure for FLOSS projects. This allows FLOSS developers to focus on what they do best — writing and improving FLOSS for the general public.

FLOSS projects whose applications are accepted become part of the Organization (akin to a separate department of a large agency). Once joined, the "member project" receives most of the benefits of existing as a non-profit corporate entity without engaging in the arduous work of forming a separate, new organization. The Organization aggregates the work of running a FLOSS non - profit for its many members.

The Organization provides many important services for its member projects. Member projects can take directed donations, which allows donors to earmark their donations for the benefit of a specific FLOSS project. The Organization provides fiscal oversight to ensure that these funds are spent in a manner that advances the project and fits with the Organization's 501(c)(3) mission to promote, advance, and defend software freedom.

If the member project's leaders want, the Organization can also hold other assets and titles on behalf of the projects, such as copyrights, trademarks, domain names, online hosting accounts, and title and ownership of physical hardware. Also at discretion of the project's leaders, the Organization can assist in defending the rights represented in these assets. For example, the Organization is available to assist member projects in enforcing the terms of the projects' FLOSS license.

Finally, developers of the Organization's member projects, when operating in their capacity as project leaders, could receive some protection from personal liability for their work on the project.

Software Freedom Conservancy, Inc., was incorporated in the State of New York in 2006.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets represent revenues and expenses related to the operations and management of the Organization's primary programs and supporting services. If funds are raised and set aside by the Board for future use, these are considered unrestricted. Temporarily restricted contributions that are expended for their restricted purpose in the same reporting period as received may be recorded as unrestricted.

See independent auditor's report.

**Software Freedom Conservancy, Inc.**  
**Notes to Financial Statements**  
**February 28, 2018**

**Note 1 - (Continued)**

Financial Statement Presentation (Continued)

Temporarily restricted net assets represent resources available for use, but expendable only for the purpose specifically stated by the donor. As of February 28, 2018, there were \$2,195,737 of temporarily restricted net assets.

Permanently restricted net assets are assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on only related investments for general or specific purpose. As of February 28, 2018, there were no permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated between the program and supporting services benefited.

Cash

Cash consists of demand deposit accounts held at major financial institutions and may at times exceed the insurable amount. Management believes it mitigates its risk by investing in a major financial institution and in funds that are currently U.S. federal government insured. Recoverability of investments is dependent upon the performance of the issuer.

Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with original maturities of three months or less when purchased to be cash equivalents.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted depending on the existence and / or nature of any donor restrictions. The Organization has not received any contributions with donor-imposed restrictions that would result in permanently restricted net assets.

Income is recognized on an accrual basis when earned.

Reclassifications

Certain reclassifications have been made to prior year amounts to conform to the current year presentations.

See independent auditor's report.

**Note 1 - (Continued)**

Contributions Receivable

Contributions receivable are stated at the amount management expects to collect. Management provides for probable uncollectible amounts through adjustments to valuation allowances based on its assessment of the current status of individual receivables. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance. For the year ended February 28, 2018, the allowance for doubtful accounts was \$0.

All contributions receivable are expected to be collected within the current operating cycle of one year.

Income Taxes

The Organization is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been provided for in the accompanying financial statements.

Donated Services

Donated services are recognized as contributions if the services (1) create or enhance nonfinancial assets or (2) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers provide various services that are not recognized as contributions in the financial statements since the recognition criteria were not met.

Subsequent Events

In preparing these financial statements, the Organization, has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements January 14, 2019, the date the financial statements were available to be issued.

**Note 2 - Unearned Income**

Unearned income represents income for the year ending February 28, 2019, that was received during the year ended February 28, 2018.

**Note 3 – Contributed Property**

The Organization did not have facilities to sell them until the market value dropped, resulting in a loss of \$67,538. The donor subsequently gave \$67,538 worth of commodities so that the Organization would have the total intended resulting cash of \$250,000.

**Note 4 – Employee benefits**

The Organization maintains a 403(b) retirement plan. In addition to employee contributions The Organization contributes 5% of eligible salaries for qualified employees.

The Organization contributed \$4,550 to the plan during the year ended February 28th, 2018.
